#### **Delameter Road Reconstruction Project:**

C & R Tractor and Landscaping, under contract with Cowlitz County, will continue initial work on the Delameter Road Reconstruction Project. Initial work will consist of clearing, grubbing and installation of temporary fencing. This project will replace culverts, widen the travel lanes and modify curves and slopes from Milepost 0.90 to 2.33 (Cline Road to Melton Road).

#### **Wren Loop Culvert Replacement Project:**

Advanced Excavating Specialists, under contract with Cowlitz County, is nearing completion of the Wren Loop Culvert Replacement project. Wren Loop Road, closed at the creek since flooding washed out the pavement, is expected to be reopened by the end of September.

Please use caution near construction zones and obey the directions of construction personnel and traffic control devices. Road maintenance and construction projects are weather dependent. Moisture and temperature conditions can slow or postpone operations. Projected schedules are approximate.

Paint striping, chip sealing, overlay paving, culvert replacements and road improvements are scheduled throughout the summer. For up-to-date information please call the Department of Public Works at (360) 577-3030, or visit our website at [www.co.cowlitz.wa.us/publicworks](http://www.co.cowlitz.wa.us/publicworks), or the Cowlitz County Department of Public Works Facebook page.
