#### **Bunker Hill Road Slide Repair Project (ROAD REOPENING):**

Cowlitz County road crews have completed installation of a rock buttress and have roughly rebuilt the road in the 100 block of Bunker Hill Road. The gravel portion will be paved in a few weeks. The road is expected to be fully open to travel by Friday afternoon, November 8, though the construction section will be rough until paved.

#### **Guardrail Repair & Replacement Project:**

Steele Trucking Inc., under contract with Cowlitz County, is continuing to install and repair guardrails in the rural Kalama area.

#### **Delameter Road Reconstruction Project:**

C & R Tractor and Landscaping, under contract with Cowlitz County, is continuing work on the Delameter Road Reconstruction Project from Milepost 0.90 to 2.33 (Cline Road to Melton Road) west of Castle Rock.

#### **Sauer Road Slide Repair Project:**

Pile Contractors Inc., under contract with Cowlitz County, is continuing construction of a new retaining wall as part of the Sauer Road Slide Repair Project (Milepost 1.07 to 1.10) in rural Kalama. Traffic is reduced to one lane through the construction zone.

Please use caution near construction zones and obey the directions of construction personnel and traffic control devices. Road maintenance and construction projects are weather dependent. Heavy rain or freezing conditions can slow or postpone operations. Projected schedules are approximate.
