

## **“Living on the Land - Stewardship for Small Acreages”**

Join us for a ten-week workshop course that will enhance the efficiency and beauty of your small acreage property. This course deals with the real-life issues landowners must address when trying to manage their land. The class will be offered on:

**Living on the Land**  
**Tuesdays, January 26 – March 30, 2010 - 6:00 to 9:00 PM**  
Cowlitz County Administration Building, Kelso

Do you want to learn how to improve soil, reduce mud and weeds, keep your animals healthy, and reduce chore time? **Living on the Land**, sponsored by the WSU Extension, teaches small acreage landowners management practices that will improve their property and protect the environment. Participants will learn simple and practical tips for making a small acreage farm more efficient and useable for the owners and the environment.

**Class size is limited to 40 participants.** Please call Gary Fredricks at 360-577-3014 ext. 3 or by E-mail at [garyf@wsu.edu](mailto:garyf@wsu.edu) to register or for more information. The cost is \$20 per household. Registration is due by January 20.
