The Director of Cowlitz County's Health and Human Services, Carlos Carreon, was very pleased with the successful outcome of the Seasonal Flu Clinic held at the Expo Center yesterday.

The Health Department is continuing with planned outreach efforts to provide the seasonal flu vaccination to high risk populations. The remaining seasonal flu vaccinations will be available for high risk individuals at the Health Department, Tuesday's, 3:00 p.m. to 5:30 p.m., until supplies are exhausted. A \$10 fee still applies.

The health department will not receive any more seasonal flu vaccinations for adults. For seasonal flu vaccinations for children, it is recommended that you contact your pediatrician.
