

ADDENDUM NO. 2

To the Plans and Specifications for the
**ROSE VALLEY ROAD RETAINING WALL
REPLACEMENT PROJECT**

Project No. 5056

For the Department of Public Works, Cowlitz County, Washington

Bid Opening Date: **May 8, 2018 at 11:00 a.m.** (unchanged)

**THIS ADDENDUM IS HEREBY MADE A PART OF THE CONTRACT DOCUMENTS TO THE SAME EXTENT
AS THOUGH IT WAS ORIGINALLY INCLUDED THEREIN.**

TABLE OF CONTENTS The Table of Contents is replaced with the attached Table of Contents.

SPECIAL PROVISIONS – BID ITEMS

BID ITEM 6: ROADWAY EXCAVATION, EMBANKMENT AND DISPOSAL INCLUDING HAUL

2-03.1 Description

Delete the second paragraph of the Special Provision for Section 2-03.1, which begins "It is the County's intent to maximize..." and replace with the following:

There is no bid item for rock excavation. If rock is encountered within the limits of excavation, rock excavation will be paid under the Miscellaneous Construction bid item. Rock is defined as material not suitable for excavation by normal means. Normal means is defined as excavation with a hydraulic excavator with a minimum operating weight of 80,000 pounds and a 50,000 pound bucket digging force with toothed bucket. Material not suitable for excavation by normal means must be excavated with means other than the use of explosives.

It is the County's intent to maximize use of the material excavated in the Roadway Excavation, Embankment and Disposal Including Haul and Miscellaneous Construction bid items in the construction of embankments in lieu of using the Structural Fill Including Haul material specifications noted in this contract.

Acknowledgment of this addendum is required under ADDENDA on Page 8 of the Contract Documents.

ISSUED THIS 2nd DAY OF MAY, 2018.

BRAD BASTIN, P.E.
County Engineer
Cowlitz County Public Works
1600 13th Avenue South
Kelso, WA 98626
