Certified Death Certificate Order Form

Instructions

Carefully read these instructions before submitting a completed Death Certificate Order Form. Chapter 70.58A RCW and Chapter 246-491 WAC requires that all applicants meet the minimum qualifications and provide proof of identity, eligibility documentation and other required information before purchasing a certified death certificate.

What is the difference between the long form death certificate and the short form death certificate?

The long form death certificate contains cause and manner of death information and social security number of the decedent. This product might be needed to close out bank accounts or claim benefits such as life insurance policies.

The short form death certificate is a new product being offered only for deaths that were registered electronically starting January 1, 2018 to present. It does not contain cause and manner of death information or social security number of the decedent. This product might be needed for transferring titles (e.g. vehicles), real estate transactions, and probate cases.

Check with the agency or business where you will be using the certificate to know what information it must include prior to purchasing.

Step 1: Are you a qualified applicant? Qualified applicants are: spouse or domestic partner, child, parent, stepparent, stepchild, sibling, grandparent, grandchild, great grandparent, legal guardian, legal representative, authorized representative, next of kin (if no one else from this list is living), government agency or the courts if the death certificate is used for official duties.

YES, I am a qualified applicant → To prove you are a qualified applicant, you will need to provide documentation proving your qualifying relationship.

NO, I am not a qualified applicant → You are not eligible to purchase a certified death certificate. Instead, you can purchase a non-certified informational death certificate.

Step 2: Provide proof of identity. (View the list of [acceptable proofs of identity](#) or view the enclosed vital records document.)

- ONE government-issued identity document (must contain your photo, full name and date of birth) that is current or expired less than 60 days ago; **OR**
- AT LEAST TWO alternate documents from the alternate list if you do not have a government-issued identity document. The alternate documents must contain matching first and last names and addresses, or in combination must contain your full name, date of birth and photograph.

Step 3: Provide documents that connect you to the death certificate. (View the list of [acceptable proofs of eligibility](#) or view the enclosed vital records document.)

- **Your proof is met** if you are listed on the death certificate and picture ID sufficiently connects you to the certificate (i.e. spouse/domestic partner, parents).
- **You must provide additional documents** if you are not listed on the death certificate or your documents do not sufficiently connect you to the death certificate.

Step 4: Complete the enclosed Certified Death Certificate Order Form.

Step 5: Submit the completed Certified Death Certificate Order Form, documentation from Step 2 & Step 3 and your payment. We accept cash, check or money order and debit/credit. Make sure your check or money order is made payable to CCHD.
