Sandbags Available To Cowlitz County Residents:

County Administration has directed emergency sandbags to be available to County residents. The sandbags are self-fill and self-haul. Residents should be prepared to fill the bags and to transport filled bags.

Sandbags, and sand to fill them, will be available at the Central Shop Fleet office, 2215 Talley Way in Kelso, from 6:00 AM to 7:00 PM Tuesday & Wednesday, January 12 & 13. Sandbags will remain available during normal work hours, 6:00 AM to 4:30 PM, Monday through Thursday – until this distribution program has been rescinded.

Signs will be posted at the entrance from Talley Way to the fleet office. Residents are asked to follow the signs and stop at the office as directed. Due to COVID restrictions, please do not enter the office. Staff will come outside to provide directions and a short form to complete (name, area of County and number of bags).

Times may be adjusted to accommodate changes in weather conditions. Please check for updates.
