News Release

Emergency Burn Ban in Effect Beginning June 25, 2021

June 23, 2021

Effective Friday 25TH at 12:01 a.m. Cowlitz County, in cooperation with neighboring Counties, will be enacting restrictions on outdoor burning. The forecast for high temperatures and dry conditions through this coming week have prompted this decision. All land clearing, residential and silvicultural burning is restricted and all outdoor burn permits issued prior to the ban are rescinded. Burn permits can be reissued after the ban is lifted.

Recreational campfires are allowed if built in improved fire pits in designated campgrounds, such as those typically found in local, county, and state parks and in commercial campgrounds. On private land, recreational fires are permitted with the landowner's permission if built in the following approved manner:

- In a metal, stone or masonry lined fire pit such as those seen in approved campgrounds.
- Size may not exceed 3 feet in diameter and 2 feet in height.
- Fires must be at least 25 feet from a structure or other combustible material and overhead fuels such as tree limbs, patio covers or carports.
- Portable outdoor or patio fireplaces should not be used within 15 feet of a structure or combustible material. Follow the manufacturer's instructions.
- Fires must be attended at all times by a responsible person at least 16-years old with the ability and tools to extinguish the fire, such as a shovel and either five gallons of water or a connected and charged water hose.

Please remember - remain in attendance of fire for duration of recreational burning and completely extinguish upon conclusion.
