Positives	Changes for Next Year
Seed packet giveaway	Fair is busiest in the hour before rodeo start time, plan for this busyness
New easier to read banners	Spread out tables better
Plinko game works well for bringing in passerby	Add separate booth for Building and Planning
Working with Dr Rice	Expand booth presence
Working with Joel Rupley	Create miniature 'zoning' game for youngsters
Children loved the interactive game	More materials wanted for Historic Preservation
County Staff appreciated professionalism discussion beforehand	
Fewer table materials worked better, cluttered table didn't work as well
