## Taking The Next Steps

First and foremost, take care of yourself and your family and utilize your support system.

If you or your loved one have not decided in advance, the next step will be to choose a funeral home.

The funeral home of your choice will then walk you through the process of laying your loved one to rest.

The funeral home will also provide you and your family with certified copies of the death certificate.

Please contact us if you have any questions, and we will be here to help you find the answers you need.
