Cowlitz County is evaluating ways to improve its transportation facilities. This includes the roads, bridges, sidewalks, and ramps people use to move around. Attendance at the open house and participation in the survey are both ways to help create a county-wide Americans with Disabilities Act (ADA) Plan, which will prioritize transportation improvements for making all individuals' experiences as safe, accessible, and efficient as possible. In the months to come, we will share the results of this survey and a draft of the plan.

The open house is on **Tuesday, March 5, 2024**, at the Cowlitz County Expo Center at 1900 - 7th Avenue, in Longview. Doors open at **6:00 p.m.** and everyone is invited to attend from 6:00 p.m. to 8:00 p.m. either in-person or online.
